The event started with prayer song by Dr.P.Kokila and by Students of Computer science. The Head of the Department (I/c), PG & Research Department of Computer Science, Dr.T. Viswanathan Associate Professor in Microbiology gave warm welcome address for this event.

DAY 1: Sep 2-2025

Session 1: The session began with the inaugural address by Dr. A. Ganesan, Head of the Department of Computer Science, Suguna College of Arts & Science-Coimbatore. “**Growth of Data**” was handled by Dr. A. Ganesan is a distinguished academician and administrator, With a strong academic foundation and extensive teaching experience, he has been actively involved in advancing computer science education and guiding students toward excellence in both academics and research. His areas of expertise include Data Science, Artificial Intelligence, and Emerging Technologies, and he has contributed to curriculum development, seminars, and workshops aimed at bridging the gap between academia and industry. As a speaker and mentor, he has addressed various technical forums, delivering insights on “**Growth of Data**” and its transformative impact on industry and society. His commitment to student development and academic excellence has earned him recognition among peers and learners alike. Dr. A. Ganesan provided valuable insights into the exponential rise of data and its implications in career growth. In this event totally 180 student from both Shifts UG Final year students & PG Students actively participated.

Session 2: Hack the Hackers: Smart Cyber Habits (Awareness on Cyber Security) was handled by Mr. V. Venkatesh, MBA, LLB (Advocate & Legal Consultant). Mr. V. Venkatesh is an accomplished Advocate and Legal Consultant based in Tirupur, with expertise spanning corporate law, legal consultancy, and business management. Holding dual qualifications in MBA and LLB, he brings a unique blend of legal acumen and managerial insight to his professional practice. He is the Founder & Senior Partner of M/s. Alpha Associates, Tirupur, and also serves as an Approved

Panel Advocate, District Legal Services Authority, Tirupur. This session helps students to know the awareness of hackers, cyber security and so on. Mr. V. Venkatesh, MBA, LLB delivered an interactive session on cybersecurity awareness and safe practices to students.

Session3:”Carrer Motivation” was handled by Mr. S. Shankar Ganesh,Corporate Trainer & Management Consultant, V Win Training & Consultancy , Coimbatore. He is a seasoned professional with over 28 years of rich experience across manufacturing, marketing, retail, and customer service. Alongside his corporate journey, he is actively engaged as a Corporate Trainer and Management Consultant at V Win Training & Consultancy, where he has conducted numerous workshops, motivational sessions, and management development programs. His training expertise focuses on leadership, communication, career motivation, and organizational excellence, inspiring students and professionals to achieve their fullest potential. Mr. Shankar Ganesh is widely recognized for his dynamic presentation style, industry knowledge, and ability to connect with diverse audiences, making him a sought-after trainer and speaker in both corporate and academic circles. This session helps students to know the awareness of skills such as communication skill, problem solving skills and so on.,
