Report on the Two-Day Internship Programme

Day 1 – 11th August 2025

The programme commenced at 10:00 AM with the Presidential Address by Dr. M. Tamilmalar, Principal (FAC), who welcomed the participants and highlighted the importance of financial literacy for young citizens.

Following this, the Special Address was delivered by Dr. S. Balusamy, Empanelled Securities Market Trainer (SEBI, NISM, BSE & NSE) and Director of ViGreen Consultancy. He introduced participants to the fundamentals of financial education, the role of SEBI and NISM, and the basics of savings, investments, and budgeting Interactive sessions included:

- Understanding different financial products and services.
- Importance of financial planning for students.
- Basic investment avenues like mutual funds, shares, and bonds.
- The day concluded with a Q&A session where participants clarified doubts on investment myths and risk management.

Day 2 – 12th August 2025

The second day began with a recap of Day 1's topics, followed by advanced discussions on stock market functioning, trading mechanisms, and investor protection measures.

Dr. S. Balusamy conducted practical demonstrations using real-time market examples, showing how to read stock charts, understand indices, and track market trends. Students were also guided on opening and managing a Demat account responsibly.

Key topics covered:

- ✓ Role of BSE & NSE in the Indian economy.
- ✓ Regulatory framework for investor safety.
- ✓ Avoiding common investment scams.

The programme ended with a feedback session, where students expressed their appreciation for the practical knowledge gained. Certificates were distributed to all participants, marking the successful completion of the internship.

Outcome:

The two-day programme effectively enhanced students' awareness of financial markets and equipped them with essential skills for managing personal finances. Participants gained both theoretical and practical insights, encouraging them to make informed financial decisions in the future.
