The college is now offering 16 UG degree, 09 PG degree, 08 M.Phil. degree and 08 Ph.D. degree courses. Our college has been accredited by NAAC with a 'B' grade.

ABOUT THE DEPARTMENT

The Department of physics is well equipped with qualified and experienced faculty members with research background. The department offers B.Sc, M.Phil. and Ph.D (Part time) programmes in physics.

The department focuses on the thrust areas of research namely Nanomaterials, Crystal Growth, Thin films, Polymer nanocomposites and Ultrasonics.

The objective of this Conference is to bring together researchers from both academia and industry under one roof, to discuss and to share the latest developments in the field of nanotechnology and other advanced research areas.

The conference will provide an attractive platform for the researchers to present their results and to discuss with the fellow researchers from different parts of our nation.

MAJOR TOPICS OF INTEREST

- Nanomaterials including Nanoparticles, Nanocrystals, Nano-porous materials
- Nanotribology, Nanocomposites
- Nanoelectronics, Nano-Magnetics,
- Nanobiotechnology, Nanomedicine
- Nanotubes/Nanowires/Quantum Dots
- NEMs, MEMs, Nano-Fluidics
- Nano-Sensors, Nano-robotics
- Nano-Fabrication, Nano-Lithography
- Nanotechnology for Energy
(Fuel cell, Solar cell, Hydrogen storage)
- Other research areas
 - Crystal Growth
 - Thin films
 - Ultrasonics
 - Solid State Ionics
